FSC POLICY

Papirus Ahşap Dekorasyon hereby commits that, for the duration of holding the FSC certification, it does not engage in any of the following activities which are considered unacceptable by FSC, either directly or indirectly:

1. The harvesting or trade of illegally sourced timber or forest products.
2. Violation of traditional rights and human rights during forestry operations.
3. Destruction of high conservation value forests during forestry operations.
4. Conversion of natural forest areas to plantations or non-forest land.
5. Use of genetically modified organisms in forestry operations.
6. Violation of any of the fundamental conventions defined by the ILO (International Labour Organization) Declaration on Fundamental Principles and Rights at Work, including core labor standards and principles.
